FIRST ANNOUNCEMENT AND CALL FOR PAPERS

General Chairman
Leonids Ribickis
Riga Technical University
Faculty of Electrical and
Power Engineering
Kalku Street 1
Riga LV 1050, Latvia
e-mail: ribickis@adm.rtu.lv

Former Chairman
Drago Ban Croatia

Board of Co-chairman

D. Ban	HR	K. Jezernik	SI
R. Bassett	UK	M.Kazmierkowski	PL
F. Blaabjerg	DK	W. Koczara	PL
J. Boldea	RO	P. Lataire	BE
G.Buja	IT	T. Lipo	USA
Z. Cerovsky	CZ	G.Magetto	BE

Association - Secretariat in Brussels, Belgium

EPE - PEMC Council - Secretariat in Budapest, Hungary in co - operation with
European Power Electronics and Drives Association - Secretariat in Brussels, Belgium

are pleased to announce
the 11th International Conference EPE-PEMC '2004 RIGA

Organisers: Faculty of Electrical and Power Engineering,
Riga Technical University, Latvia in co-operation with
Faculty of Power Engineering,
Tallinn Technical University, Estonia
Faculty of Electrical Engineering and Automation
Kaunas University of Technology, Lithuania

Contributions are invited in the following topics:

- | | |
|--|---------------------------------------|
| 1. Power Converters | 9. Automotive Power Electronics |
| 2. Devices | 10. Sensing and Observing |
| 3. Control of Converters | 11. Electrical Machines and Actuators |
| 4. Electromagnetic Compatibility | 12. Linear Motors and Their Control |
| 5. Applications of Power Electronic Systems | 13. Motion Control |
| 6. Power Electronics in Electrical Energy
Generation, Transmission and Distribution | 14. Mechatronic Systems |
| 7. Renewable, Waste Energy Systems | 15. Industrial Drive Systems |
| 8. Drives in Transport | 16. Education |

Working language is English

Exhibitors are welcome

Paper submission

Prospective authors are kindly invited to send synopses to the Conference Secretariat. The synopses should consist a 3 to 5 pages summary, including an abstract with no more than 50 words, key diagrams and references list, topic number and indication of the preference for dialogue or lecture presentation.

The synopses will be submitted using e-mail (epe-pemc2004@adm.rtu.lv) till **30 November 2003**.

If the synopses cannot be submitted electronically, five copies must be received by Conference Secretariat till 30 November 2003.

Detailed information and guidelines can be downloaded from the site:

<http://www.rtu.lv/epe-pemc2004>

The site will be opened from the 1 October 2002 onwards.

Deadlines

- | | |
|--|-------------------------|
| • Submission of 3 to 5 pages synopses | 30 November 2003 |
| • Submission of proposals for invited papers and tutorials | 15 December 2003 |
| • Registration for exhibition | 31 January 2004 |
| • Notification of provisional acceptance | 15 March 2004 |
| • Submission of final manuscripts | 30 May 2004 |

About Riga and conference site

Riga is situated on the coast of the Baltic Sea in the middle of the Republic of Latvia. Riga was founded in the 11th century. The historically developed transportation infrastructure has facilitated Riga's evolution as the major industrial and business centre in the Baltic region. The city is well known for its architectural and cultural values, skilful labour and developed infrastructure.

The conference will be held at the Congress Centre and at the Riga Technical University.
